

LONG ISLAND/NEW YORK CITY  
EMERGENCY MANAGEMENT CONFERENCE  
15 Park Drive  
Melville NY 11747

June 2008

Dear Mr. Tellone:

Thank you for your recent participation in the 2008 Long Island/New York City Emergency Management Conference at the Long Island Huntington Hilton in Melville, NY. Our 15<sup>th</sup> annual conference was a great success. We credit that to you and our other presenters who shared their perspective and experience with our attendees.

As we strive to share information about emergency planning, your knowledge and opinions helped encourage continued dialogue that will go far toward furthering the mission of those who must take action when crisis strikes.

We hope that you, too, enjoyed your experience at our conference and will join us at next year's conference scheduled for Wednesday, May 27 and Thursday, May 28, 2009.

Once again thank you for your participation. Your experience, knowledge and perspective helped make our regional conference a successful one.

Sincerely,

The *LI/NYC Emergency Management Conference* Planning Committee  
15<sup>th</sup> Annual - 2008
